### **Probe Metals Increases Financing to \$24.69 Million**

*NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR RELEASE, PUBLICATION, DISTRIBUTION OR DISSEMINATION DIRECTLY, OR INDIRECTLY, IN WHOLE OR IN PART, IN OR INTO THE UNITED STATES*

**Toronto, June 1, 2018 – PROBE METALS INC. (TSX-V: PRB)** (“**Probe**” or the “**Company**”) is pleased to announce that it has entered into an amended agreement with Sprott Capital Partners (“**Sprott**”) in its capacity as lead underwriter on its own behalf and on behalf of a syndicate of underwriters including Canaccord Genuity Corp., Cormark Securities Inc., Macquarie Capital Markets Canada Ltd., BMO Nesbitt Burns Inc., CIBC Capital Markets, Industrial Alliance Securities Inc., and Mackie Research Capital Corp. (collectively with Sprott, the “**Underwriters**”), to increase the size of the bought deal financing originally announced on May 22, 2018. Under the amended agreement, the Underwriters have agreed to purchase 7,380,000 flow-through units of the Company (“**FT Units**”) at a price of C\$1.90 per FT Unit for gross flow-through proceeds of \$14,022,000 and 8,377,566 non flow-through units of the Company (“**Hard Units**”) at a price of C\$1.15 per Hard Unit for gross non flow-through proceeds of \$9,634,200.90 (together, the “**Underwritten Offering**”). The Company also intends to complete a concurrent non-brokered placement of up to 900,000 Hard Units for gross proceeds of \$1,035,000 (the “**Non-Brokered Placement**”). The aggregate proceeds from the Underwritten Offering and the Non-Brokered Placement (collectively, the “**Offering**”) total \$24,691,200.

Each FT Unit or Hard Unit will consist of one common share of the Company and one-half of one common share purchase warrant (each whole common share purchase warrant, a “**Warrant**”). Each Warrant will entitle the holder to acquire one common share of the Company for 2 years from the closing of the Offering (the “**Closing**”) at a price of C\$1.45.

The gross proceeds from the Offering will be used to fund exploration on Probe's projects in Québec and for working capital purposes.

The Offering will be effected by way of a private placement to qualified investors in such provinces of Canada as the Underwriters may designate, and otherwise in those jurisdictions where the Offering can lawfully be made. The securities to be issued under the Offering will have a hold period of four months and one day from Closing.

Closing is expected to occur on or about June 19, 2018, and is subject to the satisfaction of certain conditions, including receipt of all applicable regulatory approvals including the approval of the TSX Venture Exchange. In consideration for their services, the Underwriters will receive a cash commission equal to 6% of the gross proceeds of the Offering.

---

**About Probe Metals:**

Probe Metals Inc. is a leading Canadian gold exploration company focused on the acquisition, exploration and development of highly prospective gold properties. The Company is committed to discovering and developing high-quality gold projects, including its key asset the Val-d'Or East Gold Project, Quebec. The Company is well-funded and controls a strategic land package of approximately 1,000-square-kilometres of exploration ground within some of the most prolific gold belts in Quebec. The Company was formed as a result of the sale of Probe Mines Limited to Goldcorp in March 2015. Goldcorp currently owns approximately 13.7% of the Company.

On behalf of Probe Metals Inc.,

**Dr. David Palmer,**

President & Chief Executive Officer

**Forward-Looking Statements**

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. This News Release includes certain "forward-looking statements" which are not comprised of historical facts. Forward-looking statements include estimates and statements that describe the Company's future plans, objectives or goals, including words to the effect that the Company or management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Although these statements are based on information currently available to the Company, the Company provides no assurance that actual results will meet management's expectations. Risks, uncertainties and other factors involved with forward-looking information could cause actual events, results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward-looking information. Forward looking information in this news release includes, but is not limited to, the intention to complete the Offering and the expected expenditure of the proceeds of the Offering, and the Company's objectives, goals or future plans. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to failure to identify mineral resources, failure to convert estimated mineral resources to reserves, delays in obtaining or failures to obtain required regulatory, governmental, environmental or other project approvals, political risks, inability to fulfill the duty to accommodate First Nations and other indigenous peoples, uncertainties relating to the availability and costs of financing needed in the future, changes in equity markets, inflation, changes in exchange rates, fluctuations in commodity prices, delays in the development of projects, capital and operating costs varying significantly from estimates and the other risks involved in the mineral exploration and development industry, and those risks set out in the Company's public documents filed on SEDAR. Although the Company believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information, which only applies as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.

This news release does not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of any of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful, including any of the securities in the United States of America. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "1933 Act") or any state securities laws and may not be offered or sold within the United States or to, or for account or benefit of, U.S. Persons (as defined in Regulation S under the 1933 Act) unless registered under the 1933 Act and applicable state securities laws, or an exemption from such registration requirements is available.
